

## On the type specimens of some Miridae described by V.G. Putshkov (Heteroptera)

P.V. Putshkov

Putshkov, P.V. 1998. On the type specimens of some Miridae described by V.G. Putshkov (Heteroptera). *Zoosystematica Rossica*, 7(2): 250.

The paper contains lectotype designations for 3 species-group taxa and information on the sex and labels of holotypes for further 3 species.

*P.V. Putshkov, Institute of Zoology, Ukrainian Academy of Sciences, ul. Bogdana Khmel'nitskogo 15, Kiev UA-252601, Ukraine.*

V.G. Putshkov described several dozens of new species of Miridae. In a few cases he failed to designate a holotype or did not cite its sex and/or labels. Such species are discussed below. All mentioned lectotypes and holotypes are kept in the Institute of Zoology, Kiev. The Russian texts of labels are transliterated.

**Anapomella arnoldii** V. Putshkov, 1961. *Lectotype* (here designated): ♂, glued on card, "Voronezhskaya obl., Berezovskiy r-n, Ramon', 23.VI.1958 g., Sobr. V. Putshkov" [printed], "Type *Anapomella arnoldii* Putshkov" [handwritten by V.G. Putshkov].

**Piezocranum medvedevi** V. Putshkov, 1961. *Lectotype* (here designated): ♂, glued on triangle, "Streletskaia step', Lugansk. obl., Medvedev, 22.V.1949 g." [handwritten by V.G. Putshkov], "*Piezocranum medvedevi* Putsh. ♂, Type" [handwritten by V.G. Putshkov].

**Chlamydatus allii** V. Putshkov, 1959. *Holotype*: ♂, glued on card, "Voronezhskaya obl., Berezovskiy r-n, Ramon', 14.VI.1948 g., Sobr. V. Putshkov, Typus" [printed, ex-

cept "14.VI" and "Typus"], "Type *Chlamydatus allii* Putshkov" [handwritten by V.G. Putshkov].

**Glaucopterum kareli polii** V. Putshkov, 1975. *Lectotype* (here designated): ♂, glued on card, "Kirgizskaya SSR, Oshskaya obl., Gul'cha, 10.V.1962, Sobr. V. Putshkov" [printed], "Type" [handwritten by V.G. Putshkov].

**Plagiognathus alyssi** V. Putshkov, 1959. *Holotype*: ♂, "Krym, Yuzhnyy bereg, Privetnoe, 1.VI.1955, sobr. V. Putshkov" [printed and handwritten], "Type *Plagiognathus alyssi* Putshkov" [handwritten by V.G. Putshkov].

**Tuponia (Chlorotuponia) reaumuriae** V. Putshkov, 1977. *Holotype*: ♂ (on one pin with a ♀), "Turkm. SSR, Badkhyz. z-k, Putshkov, 12.V.976", "*Reaumuria fruticosa*", "*Tuponia reaumuriae* Putsh. Holotypus, Paratypus" [all labels handwritten by V.G. Putshkov].
