

DMITRY L. MUSOLIN: *Curriculum Vitae*

Associate Professor of Department of Forest Protection and Game Management &
Director of Department of Advanced Training and Graduate Studies
Saint Petersburg State Forest Technical University
Institutskiy per., 5, St. Petersburg, 199021, RUSSIA

Senior Research Scientist of Laboratory of Evolutionary and Physiological Ecology of Insects, Department of Entomology, Faculty of Biology and Soil Sciences, Saint Petersburg State University
Universitetskaya nab., 7/9, St. Petersburg, 199034, RUSSIA

http://www.entomology.bio.pu.ru/musolin_front.htm

Tel.: +7-921-325-91-86 (mob.). **E-mail:** musolin@gmail.com

RESEARCH INTERESTS:

Primary: Insect eco-physiology: Heteroptera diapause syndrome; Environmental control of seasonal development in Heteroptera; Life-history responses of insects to climate change.

Secondary: Forest entomology; Insect photoperiodism.

EDUCATION:

M.Sc. in Forestry (Forest Entomology) (1993). Saint Petersburg State Forest Technical Academy, Russia. Honors degree. M.Sc. thesis: *Influence of Industrial Pollution on Birch Leaf-mining Sawflies (Insecta, Hymenoptera, Tenthredinidae)*. Advisor: Prof. A. V. Selikhovkin.

Ph.D. in Entomology (1997). Saint Petersburg State University, Russia. Dissertation: *Seasonal Cycles of Heteroptera: Diversity and Environmental Control*. Advisor: Prof. A. H. Saulich.

M.Sc. in Environmental Sciences and Policy (1998). Central European University, Budapest, Hungary (accredited by the University of Manchester, U.K.). Thesis: *Environmental Control of Insect Seasonality: Diversity of Patterns in Nature and Practical Applications*. Advisors: Prof. R. Mnatsakanian and Prof. T. R. E. Southwood.

PROFESSIONAL EXPERIENCE:

2011–now: Director, Department of Advanced Training and Graduate Studies, Saint Petersburg State Forest Technical University, Saint Petersburg, Russia.

2010–now: Assistant Professor, Department of Zoology and Game Science, Saint Petersburg State Forest Technical University, Saint Petersburg, Russia.

2009–now: Senior Research Scientist, Department and Laboratory of Entomology, Faculty of Biology and Soil Sciences, Saint Petersburg State University, Saint Petersburg, Russia.

2005–2009: Postdoctoral Research Fellow, *21st Century Center of Excellence* Program at Kyoto University (Laboratory of Insect Ecology, Graduate School of Agriculture), Kyoto, Japan.

2001–2005: Postdoctoral Research Fellow / Research Associate, National Agricultural Research Center for Hokkaido Region, Sapporo, Japan.

1998–2000: Postdoctoral Research Fellow, Graduate School of Science, Osaka City University, Osaka, Japan.

1994–1997: Researcher, Biological Institute of Saint Petersburg State University, Saint Petersburg, Russia.

1993–1995: Assistant Lecturer, Course of Forest Entomology, Saint Petersburg State Forest Technical Academy, Saint Petersburg, Russia.

1989–1993: Researcher / Junior Researcher in several projects, Dept. of Zoology, Saint Petersburg State Forest Technical Academy, Saint Petersburg, Russia.

TEACHING EXPERIENCE:

1993–1995, 2011–now: *Forest Entomology* Course (*General Entomology* and *Forest Insect Ecology* Units) at Saint Petersburg State Forest Technical Academy, Saint Petersburg, Russia.

2010–now: *Forest Invertebrates* Course at Saint Petersburg State Forest Technical Academy, Saint Petersburg, Russia.

1995–1997: Joint supervision of 2 M.Sc. students at Saint Petersburg State University, Saint Petersburg, Russia (a project of Mr. A. Maysov resulted in a publication in *Applied Entomology and Zoology* [1999]).

2005–2009: Joint supervision of 3 M.Sc. students at Kyoto University, Kyoto, Japan (a project of Mr. D. Tougou resulted in papers published in *Entomologia Experimentalis et Applicata* [2009] and *Global Change Biology* [2010]; the project of Mr. K. Takeda resulted in a MS submitted to *Physiological Entomology*).

AWARDS, SCHOLARSHIPS, AND GRANTS:

1992: Prof. G. F. Morozoff Scholarship. Saint Petersburg State Forest Technical Academy, Russia.
 1994: Scholarship for Research in Biodiversity. Soros Foundation and Academy of Natural Sciences, Russia.
 1994: Year Scholarship, Center For International Mobility, Finland.
 1996 & 1997: Year Scholarships, International Soros Science Educational Program.
 1996: Year Fellowship, Central European University, Budapest, Hungary.
 1997: NANSEN Grant Nansen Environmental and Remote Sensing Center and University of Bergen, Norway.
 1998: Two-year Postdoctoral Fellowship for Foreign Researchers, Japan Society for the Promotion of Science.
 2001: Two-year Postdoctoral Fellowship for Foreign Researchers, Science and Technology Agency (Japan).
 2003: Long-Term Invitation Fellowship for Research in Japan, Japan Society for the Promotion of Science.
 2004: Funded Delegate Program Grant, XXII International Congress of Entomology (Brisbane, Australia).
 2009: Invited speaker Travel Grant, III International Symposium on Biological Control of Arthropods (New Zealand).
 2011: Participation grant for ThermAdapt Science Meeting *Evolutionary and Plastic Responses of Animal Growth to Different Temperatures: Adaptations and Constraints*. Tartu, Estonia.

PROFESSIONAL AFFILIATIONS:

1990–now: Russian Entomological Society.
 1999–2001: Japanese Society of Applied Entomology and Zoology.
 1999–2001: The Entomological Society of Japan.

PEER REVIEWING:

- **journals/periodicals:** *Agricultural and Forest Entomology*, *Annals of the Entomological Society of America*, *Applied Entomology and Zoology*, *BioControl*, *Boletín de Biodiversidad de Chile*, *Bulletin of Entomological Research*, *Bulletin of Insectology*, *Ecological Entomology*, *Entomological Science*, *Environmental Entomology*, *Global Change Biology*, *Insect Science*, *Journal of Applied Ecology*, *Journal of Applied Entomology*, *Journal of Insect Physiology*, *Neotropical Entomology*, *Physiological Entomology*, *Phytoparasitica*, *Psyche*, *Transactions of the Saint Petersburg Forest Technical Academy*;
- **grant agencies:** *Grant Agency of the Czech Republic (Czech Science Foundation)*, *The Villum Kann Rasmussen Foundation (Denmark)*.

MAIN PUBLICATIONS:

Books:

Saulich A.H. & Musolin D.L., 2007. *Seasonal Development of Aquatic and Semiaquatic True Bugs (Heteroptera)*. St. Petersburg (Russia): St. Petersburg University Press. 205 pp. (in Russian, with an extended 6-page English Summary). [ISBN 978-5-288-04332-1; www.unipress.ru/2007/sau.html]

Book chapters:

Fujisaki K., Shimizu K., Tougou D. & Musolin D., 2009. The impact of global warming on insects: Case studies of the cotton bollworm *Helicoverpa armigera* and the southern green stink bug *Nezara viridula*. In: Fujisaki K., Nishida R. & Sakoma M. (eds.). *Entomological Science and Its Perspective*. Kyoto (Japan): Kyoto University Press. Pp. 13–40 (in Japanese). [ISBN 978-4-86798-775-7]

Edited conference proceedings books:

Fundamental Issues of Entomology in the XXI Century. (Ed. by V.E. Kipyatkov & D.L. Musolin). Proceedings of the International Conference. St. Petersburg (Russia): St. Petersburg University Press. 198 pp. (in Russian).

Transactions of the Saint Petersburg Forest Technical Academy. Vol. 196. (The volume ed. by D.L. Musolin). Proceedings of the IV Memorial O. A. Kataev Scientific Readings Saint Petersburg, Russia. 340 c. [pdf: 5,9 Mb]

INVITED TALKS:

- 2010: IV Memorial Readings in Memory of Professor Oleg A. Kataev *Fauna and Ecology of Dendrophylous Forest Insects in Eurasia*. St Petersburg, Russia.
- 2009: III International Symposium on Biological Control of Arthropods. Christchurch, New Zealand.
- 2008: XXIII International Congress of Entomology. Durban, South Africa.

OTHER RECENT PRESENTATIONS:

- 2011: 4th International Symposium on the Environmental Physiology of Ectotherms and Plants. Rennes, France.
- 2011: *Fundamental Issues of Entomology in the XXI Century*. The International Conference. St. Petersburg, Russia.
- 2011: ThermAdapt Science Meeting *Evolutionary and Plastic Responses of Animal Growth to Different Temperatures: Adaptations and Constraints*. Tartu, Estonia.
- 2009: 3rd International Symposium on the Environmental Physiology of Ectotherms and Plants. Tsukuba, Japan.
- 2009: 53rd Annual Meeting of the Japanese Society of Applied Entomology and Zoology. Sapporo, Japan.
- 2007: The Symposium “*New Models for Integrated Pest Management*”. Kyoto, Japan.
- 2007: The 2nd International Symposium on the Environmental Physiology of Ectotherms and Plants. Dunedin, New Zealand.
- 2005: The First International Symposium on the Environmental Physiology of Ectotherms and Plants. Roskilde, Denmark.
- 2004: XXII International Congress of Entomology. Brisbane, Australia.

ORGANIZED CONFERENCES:

- 2011: *National Conference “Diseases and Pests of Forests in Russia: the XXI century” and V Annual Scientific Readings in Memory of Professor O. A. Kataev*. Yekaterinburg, Russia.
- 2011: *Fundamental Issues of Entomology in the XXI Century*. The International Conference. St. Petersburg, Russia.

CHAIR OF MEETING SESSIONS:

2011: 4th International Symposium on the Environmental Physiology of Ectotherms and Plants. Rennes, France.
